

1999–2000 Seminar Series

Date	Presenter	Title
09/14/1999	Thomas Imperiale, MD Indiana University Medical Center, Indianapolis	<i>Meta-analysis: When and How</i>
09/21/1999	Amy Kilbourne, PhD VA Medical Center and University of Pittsburgh	<i>How Does Psychiatric Comorbidity Affect Symptom-Specific Utilization of General Medical Services for HIV Disease?</i>
09/28/1999	Jeffery Whittle, MD, MPH VA Medical Center and University of Pittsburgh	<i>Why Do African Americans Get Fewer Revascularizations?</i>
10/05/1999	Pamela Peele, PhD Graduate School of Public Health, University of Pittsburgh	<i>Do Mental Health Benefit Limits Matter?</i>
10/12/1999	Kevin Kraemer, MD, MSc Center for Research on Health Care (CRHC), University of Pittsburgh	<i>Preventing Prenatal Alcohol Use</i>
10/19/1999	Luis Vargas, PhD Katz Graduate School of Business, University of Pittsburgh	<i>A Methodology for Measuring the Efficiency of Surgical Schedules</i>
10/26/1999	Brian Cuffel, PhD United Behavioral Health, San Francisco	<i>Behavioral Health Service Use by Children and Adolescents in a Managed Behavioral Health Carve-Out</i>
11/02/1999	M. Katherine Shear, MD Western Psychiatric Institute and Clinic (WPIC) and University of Pittsburgh	<i>Untreated Psychiatric Illness in Mothers of Children in a Rural Mental Health Clinic</i>
11/09/1999	Michael Fine, MD, MSc CRHC, University of Pittsburgh	<i>Relationship between Costs and Hospital Stay for Patients with Community-Acquired Pneumonia</i>
11/16/1999	James Stahl, MD CRHC, University of Pittsburgh	<i>Discrete-Event Simulation and Applications to Health Care</i>
11/23/1999	Roberta Ness, MD, MPH Graduate School of Public Health, University of Pittsburgh	<i>Ovarian Cancer: Implications for Pathogenesis from an Epidemiologic Study</i>
11/30/1999	Jeanette M. Trauth, MD Graduate School of Public Health, University of Pittsburgh	<i>Factors Affecting the Recruitment Decisions of African American Women in the Prostate, Lung, Colorectal, and Ovarian (PLCO) Cancer Clinic</i>
12/07/1999	Craig Anne Heflinger, PhD Center for Mental Health Policy, Vanderbilt University, Nashville	<i>Parent/Caregiver Satisfaction with Managed Care and Mental Health Services: A Comparison of Medicaid Programs in Three States</i>
12/14/1999	Bruce L. Rollman, MD, MPH CRHC, University of Pittsburgh	<i>The Association of Depression with Coronary Artery Disease: A Presentation of Evidence and Directions for Future Research</i>
12/21/1999	Mark Roberts, MD, MPP CRHC, University of Pittsburgh	<i>Training in the Conduct of Clinical Research: Current State of the K30 Award</i>
01/04/2000	Kelly J. Kelleher, MD, MPH Child Services Research and Development, University of Pittsburgh	<i>Use, Costs, and Indicators of Antidepressant Treatment for Children: Medicaid Claims Data Results</i>

01/11/2000	Edward Post, MD, PhD CRHC, University of Pittsburgh	<i>Insurance Effects on Chronic Disease Care: A Case for Depression</i>
01/18/2000	Sarah Scholle, PhD Child Services Research and Development, University of Pittsburgh	<i>Women's Health in Allegheny County: How Are We Doing?</i>
01/25/2000	Galen Switzer, PhD CRHC, University of Pittsburgh	<i>Rare Gifts: Psychosocial Issues in the Context of Bone Marrow Donation</i>
02/01/2000	Jack R. Cornelius, MD, MPH Department of Psychiatry, University of Pittsburgh	<i>Predictors of Treatment Use among Adolescent Males</i>
02/08/2000	William Gardner, PhD CRHC Data Center, University of Pittsburgh	<i>The Researcher's Obligation to Share Data</i>
02/15/2000	Catherine Smith, MA, MILS Center for Biomedical Informatics, University of Pittsburgh	<i>Terminology Issues in User Access to Web-Based Medical Information</i>
02/22/2000	Mark Zeidel, MD Department of Medicine, University of Pittsburgh	<i>Treatment of End-Stage Renal Disease</i>
02/29/2000	Bevanne Bean-Mayberry, MD Division of General Internal Medicine, University of Pittsburgh	<i>Organizational Model of Women's Health Care Delivery</i>
03/07/2000	Ellen Detlefsen, PhD Center for Biomedical Informatics, University of Pittsburgh; Highmark Minority Health Link, Pittsburgh	<i>The Highmark Minority Health Link Project: Meeting Needs for Internet-Based Consumer Health Information for African American Communities</i>
03/14/2000	*David Bates, MD, MSc Harvard University, Boston	<i>Ambulatory Electronic Medical Records: Two Examples of the Value Added</i>
03/21/2000	Carl Sirio, MD Division of Critical Care Medicine, University of Pittsburgh	<i>The Pittsburgh Regional Healthcare Initiative: Collaboration to Improve the Quality of Care</i>
03/28/2000	Rory Cooper, PhD VA Center for Rehabilitation Research and University of Pittsburgh	<i>Development of Pushrim-Activated Power-Assist Wheelchairs</i>
04/04/2000	Norma Ware, PhD Harvard University, Boston	<i>Ethnography and Measurement in Mental Health Services Research: The Case of Continuity of Care</i>
04/11/2000	Nancy Day, MPH, PhD WPIC and University of Pittsburgh	<i>Prenatal Alcohol Exposure: Long-Term Effects</i>
04/18/2000	Anthony Silvestre, PhD Department of Infectious Diseases and Microbiology, Graduate School of Public Health, University of Pittsburgh	<i>Guidelines for HIV Prevention Capacity Building in Gay, Racial, and Ethnic Minority Communities in Small Cities and Towns in Pennsylvania</i>
04/25/2000	Cindy Bryce, PhD CRHC, University of Pittsburgh	<i>Estimating End-Stage Liver Disease Prevalence and Treatment Variation</i>
05/02/2000	Gretchen Haas, PhD WPIC and University of Pittsburgh	<i>The New Mental Illness Research, Education, and Clinical Centers (MIRECC): A Vehicle for Translational Health Services Research</i>
05/09/2000	Docteur Pierre Durieux Service de Sante Publique, Hopital Cochin,	<i>Clinical Guidelines and Health Services Research in France and Europe</i>

	Paris	
05/16/2000	Harold Pincus, MD WPIC and University of Pittsburgh	<i>RAND Is Landing and Depression in Primary Care Is Taking Off</i>
05/23/2000	Marijane A. Krohn, PhD Obstetrics, Gynecology, Reproductive Sciences, and Epidemiology, University of Pittsburgh	<i>Predicting Cesarean Delivery: Decision Tree Models</i>
05/30/2000	Judith A. Erlen, PhD, RN School of Nursing, University of Pittsburgh	<i>Adherence to Antiretroviral Therapy: Design and Methodological Issues When Implementing an Intervention Study</i>
06/06/2000	Jeff Harman, PhD WPIC and University of Pittsburgh	<i>National Trends in Diagnosis and Treatment of Depression</i>
06/13/2000	Elizabeth Schlenk, PhD, RN School of Nursing, University of Pittsburgh	<i>Improving Exercise Adherence in Osteoarthritis</i>
06/20/2000	Robert L. Cook, MD, MPH CRHC, University of Pittsburgh	<i>Home Screening for Chlamydia Surveillance: Background and Study Design</i>

***Cosponsored by the Center for Biomedical Informatics and the VA Center for Health Services Research.**
