

2001–2002 Research Development Seminar Series

Date	Presenter	Title
09/20/2001	Dana Marie Grzybicki, MD, PhD Assistant Professor, Department of Pathology and Laboratory Medicine, Allegheny General Hospital, Pittsburgh	<i>Willingness to Pay for New Pap Test Technology: A Pilot Study</i>
10/04/2001	Steven Weisbord, MD Fellow, Renal-Electrolyte Division, University of Pittsburgh	<i>Defining the Impact of a Palliative Care Intervention on Symptom Burden, Quality of Life, and End-of Life Care in Patients with End-Stage Renal Disease</i>
10/18/2001	Project Coordinator Team	<i>Development of an Operations Manual to Guide the Conduct of Research</i>
11/01/2001	Robert L. Cook, MD, MPH Assistant Professor of Medicine, Center for Research on Health Care (CRHC), University of Pittsburgh	<i>The Optimal Interval for Chlamydia Screening: Plans for a New Randomized Clinical Trial in Brazil</i>
11/29/2001	Stephen Thomas, PhD Director, Center for Minority Health, University of Pittsburgh	<i>Bioethics Grand Rounds: Tuskegee—A Red Flag for Bioethics</i>
12/13/2001	R. Scott Braithwaite, MD Assistant Professor of Medicine, Section of Decision Sciences and Clinical Systems Modeling, University of Pittsburgh	<i>A Monte Carlo Simulation of Time to Treatment Failure on Highly Active Antiretroviral Therapy (HAART)</i>
01/10/2002	Bruce L. Rollman, MD, MPH Assistant Professor of Medicine, CRHC, University of Pittsburgh	<i>Treatment of Depression Following Cardiac Bypass Surgery</i>
01/17/2002	Galen E. Switzer, PhD Assistant Professor of Medicine and Psychiatry, CRHC, University of Pittsburgh	<i>Discovering Latent Structure: Factor, Cluster, and Latent Class Analysis</i>
02/21/2002	Stefan Kertesz, MD Fellow, Boston University	<i>Homelessness and Addiction from a Health Services Perspective</i>
03/07/2002	Judy Chang, MD, MPH Assistant Professor, Division of Gynecologic Specialties, Department of Obstetrics and Gynecology, University of Pittsburgh	<i>Patient-Provider Communication Regarding Intimate Partner Violence: K08 Research Plan</i>
03/14/2002	Amber Barnato, MD, MPH, MS Assistant Professor of Medicine and Health Services Administration, Section of Decision Sciences and Clinical Systems Modeling, University of Pittsburgh	<i>Shaping My K23 Research Plan: Geographic Variations in the Use of Intensive Services at the End of Life</i>
03/28/2002	Shamiran Ruth Feinglass, MD, MPH Fellow, University of Washington	<i>History and Importance of School-Based Health Clinics</i>
04/04/2002	Doris M. Rubio, PhD Associate Professor, Department of Research Methodology, Saint Louis University	<i>Examining the Psychometric Properties of Outcome Measures: Well-Being and Stress among Caregivers</i>
04/11/2002	Cindy Bryce, PhD	<i>Society of General Internal Medicine (SGIM) Practice Talks</i>
04/18/2002	Sharon Carmody, PhD Gary Fischer, MD	<i>SGIM Practice Talks</i>

04/25/2002	Shawn Fultz, MD R. Scott Braithwaite, MD Raquel Buranosky, MD	<i>SGIM Practice Talks</i>
05/23/2002	D. Scott Obrosky, MS Statistician and Systems Analyst, CRHC Data Center, University of Pittsburgh	<i>The Pneumonia Data Management System and Further Research Project Applications</i>
